Dear UK Node Members

Please note that we have a new e-mail address - uknode@inf.ed.ac.uk  
If there is anything you wish to circulate, please send it to that address.

Please take note of the following updates:

\* NEUROINFORMATICS 2010 - 30/8-1/9/2010 \*  
<http://neuroinformatics2010.org/>  
If you are interested in attending please let me know asap!

\* INCF - POSITIONS AVAILABLE - Executive Director \*  
The INCF are recruiting for a new Executive Director - for more information, visit:  
<http://www.incf.org/about/organization/positions-available>

\* INCF NEWSLETTER \*  
The latest INCF Newsletter is now available and contains a report from our recent UK Node Congress

Dear UK Node Members

August Update - SIGs and Workshops

\* SPECIAL INTEREST GROUPS (SIGs) \*

The Steering Committee of the UK Node of the INCF has been discussing the setting up of Special Interest Groups (SIGs) to represent the main areas of neuroinformatics. For further info and form, please visit - <http://www.neuroinformatics.org.uk/special-interest-groups-sigs>

\* COLMAN 2010 - From Cortical Microcircuits to Brain-Inspired Computing Hardware \*

1-2nd September, Plymouth - Deadline for applicants is 15th August

This workshop aims at exploring novel computing architectures for cognitive systems based on the microcircuitry of the neocortex.

For further information, visit <http://helen.pion.ac.uk/colamn2010/>

\* Neural Data Analysis: Learning from other Disciplines Workshop \*

21-23 September, Newcastle - Deadline for applicants is 10th September

The workshop will be very unusual as they are aiming to bring together scientists from a variety of areas who analyse complex data, with the aim of exploring whether their methods can be useful in neural data analyses.

For further information, visit <http://www.spiketrain.org/Events.html> (need to scroll down)

If you have anything you wish to include in the September update, please do let me know.

**Importance:** High  
**Sensitivity:** Confidential

Dear Node Members

Please find some updates below - if you wish to have anything included in our updates, please send me an email - ewa.henderson@ed.ac.uk

\* UK NODE SYMPOSIUM @ BNA CONFERENCE - Wednesday 20th April 2011

Confirmed speakers so far are, in alphabetical order:

Rafael Bogacz (University of Bristol)  
Stephen Eglén (University of Cambridge)  
Mike Hull (University of Edinburgh)  
Marcus Kaiser (Newcastle University)  
Seymour Knowles-Barley (University of Edinburgh)  
John Porrill (University of Sheffield)  
Steven Smith (University of Oxford)

The committee have been finalising the details of the symposium and hope to have a registration form on our website soon.

There will definitely be some funding available for travel and accommodation - further details will be given shortly.

\* UK NODE FUNDING FOR WORKSHOPS / SEMINARS

The UK Neuroinformatics Node is able to fund small workshops for the benefit of people working in the UK in the neuroinformatics area. The funding can be used for the hire of rooms, provision of meals and accommodation, travel for external speakers, grants to enable students to attend etc. The main condition is that the event should be open and of benefit to people within the UK. In addition, it is expected that the organisers will provide a short report of the event to the UK Node.

If you wish to run such an event, please could you send an application to Ewa Maria Henderson (ewa.henderson@ed.ac.uk) containing details of the event. The application should include:

- Name and contact details of the organiser
- Purpose of the event
- Duration, date(s) and place of the event.
- Outline of the programme
- The sum applied for
- Applications can be made any time.

\* VACANCY - RESEARCH FELLOW IN DEPT OF COMPUTING SCIENCE, UNIVERSITY OF SURREY

For further information, visit <https://jobs.surrey.ac.uk/index.html> - Vacancy Ref. 7895

Hope you all have a lovely Christmas and I wish you all the very best for 2011,
